

THE GAMEPLAN

FIVE14

WHAT IS THE GAMEPLAN?

The Gameplan is a plan to develop your child spiritually from the time they are born until they graduate. A child's faith journey matters so much and that's why we've come up with a plan to partner with you as the parent to have a greater impact together. We've realized that no matter how much time is left, every week matters in the life of our kids. Let's make the most of the time we have together!

JUST TO KEEP IN MIND ...

936 **WEEKS**

The day they're born, you have 936 weeks with your child until graduation.

468 **WEEKS**

By the time they reach 4th grade, you only have half that time.

208 **WEEKS**

When your child reaches high school, you have roughly 208 weeks left until graduation.

100 **WEEKS**

By the time they get their driver's license, you're down to just 100 weeks.

**TIME MATTERS AND WE WANT
TO PARTNER WITH YOU TO
MAKE THE MOST OF IT.
HERE'S HOW...**

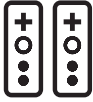

PLAYER 1

THE HOME:

We believe no one has more potential to influence a kid than a parent, especially in their spiritual development. That's why we want to come alongside you and equip you, as well as create times we come together for impactful moments in the life of your child. After all, we make a great team. Start out by committing to bringing your child to their age specific ministry event weekly. Keep a lookout for the ParentCue—a tool designed to cue you to facilitate spiritual conversations at home.

PLAYER 2

THE CHURCH:

On average, we get 40 hours a year with your kid. We want the hour we get with them to be the best hour of their entire week. That's why we intentionally build our weekly experiences with the goal of helping them experience who God is and the love He has for them. Each age group is tailored to their development and a specific message we want them to learn:

Pre-K (Infant-5):
"DISCOVER God's love"

Elementary (5-12):
"INSPIRE them to be a part of God's big story"

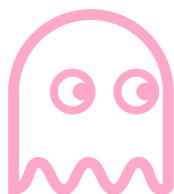

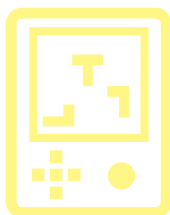

Middle School (12-14):
"AFFIRM their role in God's story"

High School (14-18):
"EMPOWER them to make their faith an active lifestyle"

HOW WE PLAY ...

Our weekly experiences include one of the most foundational pieces to your kid's faith—community. Every kid is in a small group with a leader who cares about them and friends who are wrestling through the same questions. A relationship with God can be tricky. At every stage of life, we want to help kids better understand their questions through community.

Early Childhood (Infant–5):

Who is God?

We share a framework of who God is and what He cares about.

Elementary (5–11):

Who does God say I am?

We focus on telling kids how important they are to God and the role they play in His story.

Middle School (11–14):

Where do I fit into God's plan?

We enable students to explore who God created them to be and how they can live out the plan that God has for them.

High School (14–18):

What does this mean for me?

We empower high school students to create an authentic faith of their own that they can live out every day.

HERE'S THE WEEKLY PLAY ...

"An age-appropriate experience that helps kids and students learn who God is and how to follow Him through large groups and small groups."
